JUNIOR ANIMAL HABITATS BADGE WORKSHOP

Junior Naturalists: Examining Animals and Their Habitats at Mission Trails Regional Park

What kind of animals live in the wild spaces of San Diego? What is a habitat? Do any endangered animals live at Mission Trails? Discover answers to all of these questions as you explore Mission Trails Regional Park through a guided nature walk and hands-on activities. MEETS REQUIREMENTS FOR JUNIOR ANIMAL HABITATS BADGE.

FALL 2019 WORKSHOP SCHEDULE

Wednesday, Oct. 23, 1-3PM

Sunday, Nov. 10, 2-4PM

Wednesday, Nov. 20, 2-4PM

WORKSHOP POLICIES

This is not a drop-off event, adult supervision with a minimum ratio of one adult to eight girls. All activities will be held outside, so students are encouraged to wear sunscreen, a hat, and bring reusable water bottles.

Please send your Scout with a snack on the day of the event. As there may be participants who are allergic to nuts, please help us stay NUT-FREE.

Insufficient enrollment (less than 15 participants) may result in cancellation of the workshop. Full refund will be given for such cancellation. Refunds will otherwise not be available and the registration fee will be considered a donation to support the park.

Payment of fee upon registration reserves your spot. Free parking is available in the Kumeyaay Lake Campground Day Use lot and surrounds.
