

MTRP Master Plan Update Implementation

Step 1: Develop and recommend to MTRP Task Force criteria for establishing implementation priorities

Criteria recommendations from MTRP CAC meeting of November 5, 2019

- Public safety
- Public accessibility
- Operational efficiency
- Extent of public use
- Environmental preservation / Resource protection
- Geographic diversity within MTRP
- Project gap filler
- Funding leverage potential
- Cultural / archaeological considerations
- Geology

Step 2: Set project priorities based on approved criteria

At MTRP CAC meeting of November 5, 2019, the following MTRP CAC members were appointed to an ad hoc subcommittee of the CAC to identify priorities to be brought to the MTRP CAC for approval and recommendation to MTRP Task Force.

Dorothy Leonard – chair
Dick Murphy
Nancy Acevedo
Kim Searcy
Ryan Hartegan
Betty Ogilvie
